PROSPECTUS

The Chairman's Message

Bhartiya Gramin Punarrachana Sanstha (BGPS) was established in the year 1984. Our vision is based on professionalism in education, disseminating knowledge, and providing students a unique learning experience, that will best serve the world and betterment of mankind. This visionary culture allows and emphasizes our wards not only to adopt the present day challenges but also individual responsibilities to the society and our nation at large. Our mission is to impart quality management education based on values in global perspective.

We strongly believe in academic excellence and do not compromise on teaching standards or discipline. Hence we have recruited faculty with rich experience in industry and teaching. We also invite visiting and guest faculty from reputed Industries, to bridge the gap between theoretical concepts and practical aspects of business. We have also executed MOU's with reputed industries to conduct training programs to students so that they will be employable in the market. The experts sharpen the skill sets of the students based on industry standards. Therefore, we have achieved 70 – 80 percent placement this year.

I heartily welcome the new batch of M.M.S. / M.B.A. to join our Mumbai Institute of Management and Research, which is doing extremely well in terms of overall development of the management students.

Our Institute has setup long term objectives with planned activities for achieving excellence in management education.

I wish best of luck for all of you

J. K. Jadhav
B. E. Electrical, DBM, MBA
Chairman
Bhartiya Gramin Punarrachana Sanstha

Joint Secretary's Message

Bhartiya Gramin Punarrachana Sanstha (BGPS) was established in the year 1984. The trust was established with the aim to support the needy girl students in the field of education.

As I stand before the educational institute, which is the dream of my father, Shri.J. K. Jadhav, I feel a sense of satisfaction and pride. His ideals and his visions are taking shape before me.

I believe that quality education should be made available to all. Education is the main tool that changes the thinking of a man. In fact better education means better citizen and a better country.

To achieve the desire, to nurture the dreams and to connect them to reality, the trust will impart and give special coaching in management and technical subjects. To conclude, it is my promise that the institution will prove to be an ideal place to provide all possible opportunities for the best education and development of an all round personality to meet the challenges of a competitive future.

On behalf of the management, I take this opportunity to wish everyone who has helped in converting our dream into reality.

Vikrant Jadhav

Joint Secretary

Bhartiya Gramin Punarrachana Sanstha

Director's Message..

BGPS' Mumbai Institute of Management and Research (MIMR). Wadala (E), Mumbai, it is ideally located in heart of the Mumbai city, with close proximity to both central, western and well connected by train and Road. The Institute was established in the year 2004 by well known educational entrepreneur, Shri J. K. Jadhav Chairman of the trust, The institute is affiliated to Mumbai University and recognized by DTE Government of Maharashtra and approved by AICTE. The institute has maintained itself as a center for excellence with well known corporate interaction with the students as a preferred destination of learning.

The institute has well furnished air-conditioned classrooms, equipped with LCD projectors, computer labs. The library consist of more than 10,000 books with around 2,000 rare books. It also consists national international journals like Harvard Business Review. The physical infrastructure of the institute is well equipped with LCD Projector, collar mike to meet the needs of the students. The institute has on its rolls a well qualified, experienced and research oriented faculty, focused towards transformational and constructivist teaching-learning pedagogy. The curriculum of the institution is structured to help students master the technical and human skills and develop a wholesome personality, in a value based educational environment. The institute endeavors to help the students to get industry-ready by ensuring adequate knowledge and skill to adjust with the industrial environment and the corporate culture.

The Institute determines to continue its efforts in nation building by fostering a strong bond between the students, faculty members as well as the corporate world in order to shape the students as corporate leaders of tomorrow.

Dr. C. Satyanarayana
M.M.S. , L.L.B. , Ph.D
Director

ABOUT US

- Bhartiya Gramin Punarrachana Sanstha's (BGPS'), Mumbai Institute of Management & Research (MIMR) was established in the year 2004 by Shri. J. K. Jadhav, Ex Additional Director of Industries, Government of Maharashtra.
- MIMR has completed 14 glorious years of its outstanding performance as a Management Institutes. It offers 2 years full-time Masters of Management Studies (MMS) programme with an intake capacity of 120 students and offers 5 specializations i.e. Finance, Marketing, Human Resources, Information Technology & Operations. The Institute has consistent interaction with industry and conducts training for the students by industry experts in a 'Gurukul environment'. MIMR has a remarkable infrastructure with well-equipped classrooms & computer center, it has Wi-Fi enabled labs, updated laboratories and rich library resources which provides every opportunity for students to spend most of their time in campus. The campus is developed by its commitment to teach the students the core values, including integrity, honesty, personal accountability towards the society.
- MIMR aims to churn out highly competent management professionals with a commitment to result oriented work, a perennial zest for learning, a quest for excellence, an open mind and the universal ideals of honesty, dignity and mutual care. MIMR aims to mold leaders who make a difference in the world through a motto of "Service through Enterprise". Supporting to our success by a team of dynamic, skillful and resourceful faculty who creates a deep understanding of business through its research. Our faculty has made the classrooms at MIMR a special place where learning is an intense and interactive experience for our students. The experience goes beyond simply imparting skills, tools or knowledge. It also develops the foundation for a lifetime leadership in a challenging and rapidly changing business.
- MIMR encourages students for participation in co-curricular and extra-curricular activities for overall personality development of the students. Students are counseled on all academic and career related development through professional mentors. MIMR has always taken an initiative in uplifting the needy in terms of literacy, hygiene and social awareness.
- Keeping the need of industry MIMR introduced certificate courses in IPR, Banking, Digital Marketing, Mutual Funds, Training & Development and many other specialization areas. With these efforts the employability of students will be increased. The students will get a fair change to exhibit their talent in the interview. We also give more emphasis on overall personality development of the students.

INFRASTRUCTURE

Classrooms

Classrooms at MIMR are well furnished, spacious and in comfortable sizes. Each classroom is supported by IT infrastructure with Wi-fi facility, LAN connection, LCD projector. Classrooms are designed in such way to provide proper light and ventilation.

Seminar hall

- The institute has a well furnished conference room which has facilities with 24hrs internet facilities and projectors like LCD for Presentations, Brainstorming Sessions, Group Discussions and Corporate Meetings conducted for grooming the students. Seminar hall is having ample seating capacity with comfortable chairs, audio facilities like sound systems, internet access available to the students in the campus.
- The college has sufficient number of sport equipment's and accessories. College has made provision of indoor games such as Table tennis, carom, chess etc. The college conducts session for yoga in the open ground at the campus. We encourage students to attend and participate in the demonstration or talk on yoga or health related programmes being conducted in our premises.

Library

The Library of MIMR is enriched with the latest edition of text books, E-books, e-journals, National & International journals. A separate Reading room for the students provided to them, where they can access national newspapers, latest magazines and periodicals. MIMR library is well equipped with having more than 9000 books and national international journals to cater the needs of different specialization students.

Cafeteria

The Cafeteria at MIMR is highly hygienic. The cafeteria has ample space to accommodate more students. It provides nutritious food of South India, Punjabi, Chinese and variety of snacks and breakfast lined up for the students to relish. A separate space for staff is an added attraction to spend good time among themselves.

Computer Lab

- MIMR over last 14 years of its existence has established good IT infrastructure.
- The Institute provides its students with state of the art, good computer lab.
- Institution has 60 computers with internet enabled services to serve the day-to-day computing needs of students as well as staff.
- This ensures the computer ratio of 1:4 as per AICTE norm.
- Budget for IT infrastructures is prepared by the Institute to enhance and update the facilities.
- Internet has a speed of 50 Mbps and all the campus is enabled with Wi-Fi facility to allow the students to access to the internet.
- The Institute regularly upgrades both the software and the hardware facilities as per academic requirements.
- The computer lab is connected with LAN connection and it provides access to students for printing study materials.
- Anti-virus software is upgraded regularly.

If any document / statement submitted by me is found to be incorrect or fabricated, my admission may be cancelled with immediate effect and I shall not claim any refund of the fee

Student Activities And Achievements at MIMR

Mr. Ankit Oza our Ex student and now Professor at GNVS presented & Published Research paper on "Role of Information Technology in Retail Sector" in the 7th National Conference organized by Chetana's Institute of Management & Research on 20th march 2015.

Also Presented & Published Research Paper on topics of "Exploring Effective Communication Strategies and Leadership Approaches in Management Institute" on 5th March 2016 at GNVS Institute of Management.

Awards

The management of the institute has introduced various awards for meritorious students. Our students got best college award as well as achieved first prize in various programmes of cultural festivals in inter-institute competition.

Students Council

The Student Council at MIMR ensures the learning experience of the students is coupled with adequate amount of extracurricular activities. It seeks to create an all round exposure for all students, giving them adequate amount of extracurricular activities. It seeks to create an all round exposure for the students, giving them adequate inputs to excel in various fields.

Activities

Sports being the integral part of every student has drawn many students to take up facilities provide by our institute with indoor as well as outdoor activities. Two acres of open ground is also available in the campus for various outdoor sports.

Students can avail facilities for games like Carom, Table Tennis, Chess Cricket, Badminton & Volleyball etc.

Internal Quality Assurance Cell (IQAC)

The institute has established on 9th August 2019 to monitor and check the quality of teaching learning process. Peer committee members of IQAC is drawn from industry, alumni, parents and students. The IQAC Committee conducts a meeting in every 6 months. The recommendations of IQAC Committee will be implemented with immediate effect after every meeting.

Innovation, Research and Development Entrepreneurship Cell

The Entrepreneurship Cell aims to ignite creative thinking and nurture entrepreneurial instincts in students. The Cell hopes to achieve this by conducting stimulating workshops, competitions and interactive sessions with eminent personalities who are role models when it comes to business development. The Cell also conducts an annual Entrepreneurs' Day in which students market their products both at stalls and through digital marketing. The Cell's ultimate vision is to create independent business persons out of interested students so that they not only become self-employed but also become capable of providing gainful, fulfilling employment to others and thereby benefit society at large.

Research & Development Cell

Research & Development (R&D) Cell is established in February 2017 to promote research-based teaching-learning thereby preparing students for successful careers. The activities of R&D Cell includes inculcating students for writing articles, making paper presentations at various colleges. Faculty & Students Training and Support Programs, Recognition of Research Production, Encouragement of Faculty Collaboration, Balanced Teaching & Research Responsibilities, etc. The R&D Cell is committed to technology-driven collaborations and linking the academic research with teaching curriculum. The R&D team consists of Dr. C. Satyanarayana & Dr. Promod Nandadhane.

The phrase "Research and Development" has a special significance apart from its conventional coupling of scientific research and technological development. "Research and Development" normally refers to future-oriented, longer-term activities in science or technology, using techniques with or without predetermined outcomes and with broad forecasts of commercial yields.

The Research and Development Cell is established to promote research activities. The Cell objective is to monitor and administer Research programs for Faculty, Students & Industries to undertake quality research, product commercialization and other research related activities.

In a world increasingly propelled by technology, R & D is the foundation of any nation's economic growth. And MIMR is committed Research and Development in the areas of national interest.

Cultural Festival Programme

When you are a college student, you always have one event of the year to look forward to. Well. You might have guessed it right, cultural festival. Cultural festivals are the time when one can break out of the monotonous routine of studies and showcase one's talent and make the most of workshops and activities. Students conducted and performed Jagatik Marathi Bhasha Divas, Fresher's Party, Alumni, Farewell party, Women's Day Celebration, Independence Day and much more. Celebrated for unity and performed an event on Rashtriya Ekta Diwas dedicated to birth anniversary of Sardar Vallabhbhai Patel as national Unity day.

Placement and Training Cell

"No wind is favorable if the destination port is unknown". Placement activity is just one of the meeting points between students and the industry. It is our endeavour to facilitate the exchange of knowledge between the students and the industry. MIMR provides a platform for placement where companies are invited to recruit students of various specializations and work experience.

Recently, AIR InfoTech Services Pvt. Ltd. visited to our Campus for Summer Interns. One Day Workshop was held for Summer Internship Training Program and selected our students into all major domains as Marketing, IT etc... Further, we organize summer training programmers for our students. We have tie ups with number of business houses and associations for campus interviews and interactive seminars. Apparently these activities give greater exposure to our students in the industry.

From previous batches, students have been placed with lucrative pay packages and encouraging job profile. All placement enquiries are handled by

Prof. Pravin Akolkar
Assistant Professor, Placement Officer

Industrial Visit

Industrial visit has its own importance in a career of a student who is pursuing a professional degree. It is considered as a part of college curriculum.

Last few batches had an ecstatic Industrial Visit to Chandigarh-Shimla-Manali, Rajasthan-Jothpur-Jaisalmer, Bangalore-Mysore, Goa.

Industrial visits are arranged by colleges through tour agencies to students functional opportunity in different sectors like IT, Manufacturing and services, finance and marketing.

Industry visits sensitize students to the practical challenges that organizations face in the business world.

Full Time Faculties

At Mumbai Institute of Management & Research, a lot of stress is laid on providing in-depth knowledge on various contemporary issues and subject.

Corporate experts and consultants are invited to conduct lectures. Having achieved prominence in their respective field, The guest speakers give the student a different insight into the subject with the experience they have gained in the industry / academics.

They encourage the students to look beyond the book and explore the subject with experimental learning.

DECLARATION CUM UNDERTAKING FORM OF STUDENT

I am seeking admission in M.M.S first year and have read the Prospectus of the Mumbai Institute of Management and Research (MIMR) and fully agree and solemnly state that if admitted, I shall abide by the rules and regulations of the Institute.

I further state that I also follow other rules and regulations enforced from time to time by the Institute-

1. I shall regularly read notifications displayed on the Notice Board.
2. I will also follow attendance rule of maintaining minimum 75% attendance in the class / lectures failing which I may not be allowed to keep the sum / term and hence may not be allowed to appear in the examination.
3. I will also follow the rules and regulations of the library and computer lab of the Institute.
4. I will also follow the fee payment rules as mentioned in Institute

Prospectus and I further under take the responsibility to pay any balance/ due fee which is increased from time to time by component authorities like Fees Regulatory, University of Mumbai, DTE, Government of Maharashtra & AICTE

5. I shall not indulge in any unlawful activities as a responsible student of this institute.
6. If found guilty on any charges against me, I will accept the decision of the Institute for any action/punishment to be initiated against me.
7. I fully agree to abide by the refund of fee rules, as printed in the admission brochure issued by DTE, in case I decide to get my admissions cancelled.
8. If any document / statement submitted by me is found to be incorrect or fabricated, my admission may be cancelled with immediate effect and I shall not claim any refund of the fee.
